

ORDERING & SHIPPING SPECIFICATIONS

PACKAGE DETAILS

ADDENDUM TO PRODUCT CATALOG 2024

This document contains information on products' specifications for orders and shipping. Please note that some of the products can be ordered and supplied in bundles only and are not available in single units. Should you have any questions or have any specific requirements, please contact Trango Systems at info@trango-sys.com, and we'll be happy to assist you.

This document is presented for informational purposes and is intended for the exclusive use of our clients and partners. While we encourage sharing and using this catalog within your organization, any unauthorized reproduction, distribution, or use of the information outside your organization without prior written consent from Trango Systems is prohibited. All contents, including text, images, and designs, are copyrighted by Trango Systems.

PRODUCT INFORMATION

All Trango's Solutions Kits are based on packages. To calculate package dimensions and volume for shipping purposes, please refer to the [Structure Components](#) section of the document.
